REGISTER

This is a status of what has been developed to create a district-wide online registration system.

Current status: We have all cabinet members loaded into the new system. Convention registrations can be submitted by any cabinet member. (for themselves or others)

What follows is a short summary of what's in place today.

Step 1 – Put our cabinet membership list online

We needed an online version so we could keep the list accurate and to build a registration system

This new method does not eliminate the concept of a portable version such as PDF or XLS.

Any cabinet member can easily contact another one

Clicking/tapping the email name will bring up a new window

The screenshot shows a web browser window with the URL `lionsdistrict27a2.org/members/c1.php`. On the left, a 'Send Email Message' form is open, displaying the recipient as `kase@a2golf.com`. The form includes fields for 'Subject (required)' and 'Your message (required)', a 'Send It' button, and a 'Cancel' button. A note below the form states: 'This message will include that it was sent from Kase Kasemodel 262-305-6491 kase@a2golf.com'. On the right, a table lists members with columns for 'id', 'First', 'Last', 'Title/Primary Role', 'Cell', 'email', and 'Club'. The email address `kase@a2golf.com` in the table is highlighted with a black box, and an arrow points from this box to the recipient field in the email form.

This is not intended to replace a normal email system. This was only sending quick reminders/messages to others. Here is what the email message will look like:

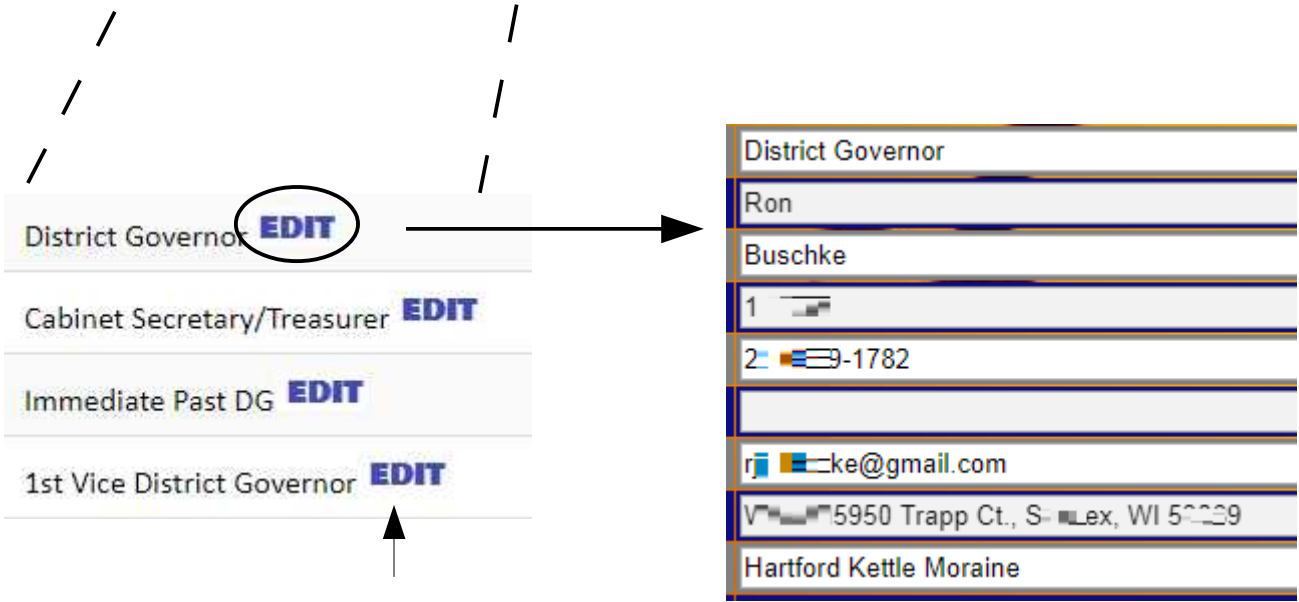

The screenshot shows an email message header and body. The header includes the subject '[27a2] Test from 27A2 Online Directory' and the following fields: From: `info@lionsdistrict27a2.org`, Sender: `info@lionsdistrict27a2.org`, To: `kase@a2golf.com`, Cc: `myfoos@gmail.com`, and Date: 'Today 05:04'. The body of the email contains the following text: 'DO NOT HIT REPLY TO THIS EMAIL', 'This was sent to you from Kase Kasemodel 262-305-6491 kase@a2golf.com', 'If you want to reply, call or email using the above contact info', 'Message:', 'Hey, this thing: is pretty snappy.', and 'This message was sent via LionsDistrict27a2.org'.

Step 2 – Allow selected people to maintain the list

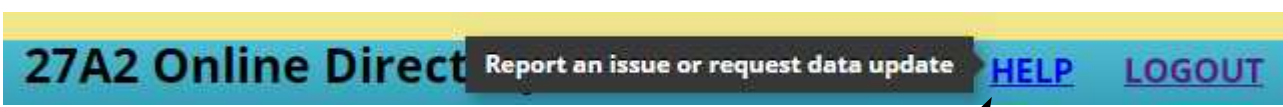

Normally, there is one or two caretakers for the list who have update access

10	John	Gassert	Zone Chair, Region 1 Zone 1 EDIT	CAB 41-1910	jdgas@comcast.net	Grafton	--

The EDIT buttons are only visible to list administrators

For anyone who does not have update access, they can request changes be made via the HELP link.

This request is sent to those with update access rights.

Step 3 – Allow cabinet members to add new members

Any cabinet member can add a new person to this list

The screenshot shows the top navigation bar with 'Welcome Lion Kase Kasemodel(3) 27A2 Online Directory' and a '+ Member' button highlighted with a black box. Below the navigation bar is a search bar and a table of members. The table has columns for id, First, Last, Title/Primary Role, Cell, email, Club, and Last. There are 10 rows of member data, each with an 'EDIT' link. At the bottom of the table, it says 'Showing 1 to 10 of 57 entries' and has pagination controls for pages 1 through 6.

The screenshot shows the 'Add Member' form. At the top left is a 'Status?' dropdown menu. Below it is a 'Select your club' dropdown menu. The form includes input fields for 'First Name *', 'Last Name *', 'Cell phone *', 'Email *', 'USPS Mail (address + zip code) *', 'Club role/title', and 'Notes (optional)'. At the bottom is a blue 'SAVE' button. On the right side, there is a zoomed-in view of the 'Status?' dropdown menu, showing four options: 'Current Lion', 'Past Lion', 'LEO', and 'LIONESS'. Below this is a zoomed-in view of the 'Select your club' dropdown menu, showing a list of club names including Allenton, Ashippun, Beaver Dam, Belgium, Brownsville, Cedarburg, Clyman, Columbus, Delafield-Summit, Glendale, Fredonia, Grafton, Hartford, Hartford-Kettle Moraine, Horicon, Hustisford, Iron Ridge, Ixonia, and Juneau. Arrows indicate the flow from the main form to the zoomed-in dropdowns.

While any cabinet member can add a person to this list, there are only four types they can select. Adding a new person to the list does not automatically grant them access to view contact information. Each new person added must be assigned permissions by the list administrator(s).

Step 4 – Allow cabinet members to register for the convention
